# WHAT IS

- The Escape Hunt Experience is a real-life first person escape game concept.
- Players in teams of 5-6 are “locked” inside a room and must explore their surroundings, solve riddles & clues in order to “escape”.
- The game requires players to be observant and utilize their critical thinking skills to solve challenges and riddles.
- There is no strenuous physical activity involved. All you need is a healthy, working brain!
- All games can be solved but are challenging, require good teamwork, observation, problem solving and communication skills.

Escape Hunt is exciting, addictive, challenging, educational and above all, fun!

It is suitable for:

**FRIENDS  
AND FAMILIES**

**COMPANIES  
AND EVENTS**

**TOURISTS  
AND TRAVELLERS**

**SCHOOLS, COLLEGES  
AND UNIVERSITIES**

**UP FOR THE CHALLENGE ? SCROLL DOWN !**

# THE GAMES

- We have 6 game rooms offering 3 different adventures.
- All our adventures are set 100 years ago in the historical The Rocks area of Sydney.
- Our adventures change regularly and we currently offer:

**ROBBERY**  
**IN THE COTTAGE**

**EXTORTION**  
**IN THE DOCKYARD**

**ASSASSIN**  
**IN THE PUB**

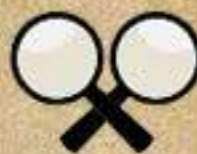

The unique combination of skills required to solve the games makes the Escape Hunt Experience the perfect activity for corporate groups who want their employees to get to know one another, have fun, improve their teamwork and problem solving skills.

Players have 60 minutes to solve the mystery and finally escape the room.

Players are monitored through out the game by our Game Masters via CCTV's in the room. Players may request for hints if they get stuck.

Two identical rooms allows competitive play - two teams play head on and the quickest team to "escape" wins!

# EVENT PACKAGES

Here at Escape Hunt, we aim to give you a customised experience that meets your unique needs.

Our corporate events give your group exclusive access to our premise - this means you have the entire venue to yourselves!

If you have less than the required amount of people then you can simply book our rooms via our online booking system.

We have event packages to offer (see following pages for more details) but we can tailor your events to meet any specific requirements you have. Simply let us know!

We have a partnership with a nearby "secret" bar where participants have to solve puzzles to find the location. The group can head over there for food and drinks after the game or we can provide onsite catering (more detail on following pages).

## TEAM BUILDING

### Competitive Play

Duplicated rooms allow for competitive play - the most popular arrangement for team building!

Split your group into two, and whichever team "escapes" first, wins!

# SUCCESSFUL DETECTIVES

In 2015, Escape Hunt Sydney ran over 250 corporate events.  
Here is a sample of our successful detectives

**CLASSIFIED**

"I organised a corporate event with Escape Hunt Sydney for ~30 people, and it was a fantastic experience. From organisational point of view it was excellent: the communication prior to event was very good, and during the game itself the staff was friendly and well-organised, plus we had the whole area reserved just for our group. The puzzles are interesting and challenging, but not overwhelming - it was really fun and I received very positive feedback from the whole group. Overall, I highly recommend it!" **GOOGLE**

The site was very easy to use and Robin was extremely helpful, they were also flexible as we didn't have confirmed numbers until a few days before the event. The event itself was excellent; perfect for a corporate team building event - it was challenging, fun and we would definitely book again. Very convenient to the office being in the centre of the city."

**CORPORATE FINANCIAL SERVICES, COMMONWEALTH BANK OF AUSTRALIA**

"The Escape Hunt was an unique experience and thoroughly enjoyed by everybody. The activity placed the team in an unique situation which encouraged (and required!) every member to contribute and work together in order to achieve the objective. This sets the Escape Hunt apart from other team building activity we've tried in the past. Highly recommended!"
