Foxy Bean

THE VENUE

Foxy Bean is made up of the internal area which can seat up to 100 and the courtyard area which can seat up to 90.

Both areas can accommodate a larger number for a stand up canapé style function.

COURTYARD

Our covered courtyard area has its own bar and a combination of low and high tables and can be booked as a whole or can be divided into two sections.

The courtyard area is extremely popular for more casual and stand up functions.

We offer a variety of meal options depending on the occasion and we can cater for special dietary requests.

Some of the popular function food packages include a BBQ package starting at \$30 / person, canapé menus starting from \$30 / person and share platters.

DRINKS

We are happy to discuss a drinks package for your function. We can offer a full bar with a bar tab, limited bar with a bar tab, or a cash bar.
