TESTIMONIALS

Everyone had a fabulous time and really enjoyed the delicious food. Your wait staff were fantastic and very attentive. I can not thank you enough for ensuring its absolute success. It was such a great way to kick-off the conference.

Bank of Queensland

It was a wonderful evening, and I have had nothing but positive feedback! It had a great atmosphere and the food was fabulous, particularly the canapés. The mains and desserts all flowed meticulously and the night ran really well. Thank you for all your effort, it was much appreciated and very professional.

Irregear Stores

I would recommended Miss Money Penny's and from the outset I can not fault the staff for their efficiency and helpfulness. The run up to the event saw excellent communication, so I was confident when we turned up that there would be no issues. And the staff on the night did not let us down, they were friendly, attentive and accommodating. We all had a great night and it was a brilliant kick-off to our conference that set the tone for the rest of the event!
