

School Excursions, Awards Nights or Performances to Circular Quay and the Rocks

If you're planning a school excursion to The Rocks, The Opera House or one of the many museums near Circular Quay then **City Extra Restaurant** at Circular Quay is the answer for your lunch or dinner break.

As excursions can be subject to weather conditions, a lunch or dinner inside can be a big bonus. Give your students a restaurant experience where they can dine overlooking the harbour during their excursion. Do yourself a favour and let us do the work for you.

A great meeting point for your group, the restaurant is only a few minutes walk from all the attractions and buses can drop off & pick up nearby.

Located under the Cahill Expressway and Circular Quay Railway Station, City Extra has full glass frontage and seats 320 people on two levels. The upstairs area is perfect for groups of 20 to 150 and every table looks out towards Sydney Harbour.

With the Harbour Bridge to the left, the Opera House to the right and the ferries straight in front, we're easy to find. Just walk around the Circular Quay Promenade and you'll find us located opposite Sydney ferry wharves 3 & 4.

Trying to find a meal that appeals to everyone can be difficult so we offer a choice of two student packages, one course meal @ \$17 per person or two course meal @ \$21 per person. The school can make payment via EFT prior to the event.

The main features include:

- All food cooked fresh daily in the City Extra kitchens.
