FUNCTIONS

## 3 UNIQUE SPACES

321 Water Street is a unique space on the Fortitude Valley fringe with exposed brick walls, reclaimed furniture and fittings, hanging plants and greenery, a friendly team, and a Head chef with over 20 years restaurant and catering experience.

Popular eatery by day, 321 Water Street can be hired for small to large events no matter what the occasion - birthdays, business meetings, corporate events, engagement parties, hen's parties, trivia nights, master classes and product launches - you name it!

There are three separate spaces, with room to move. The Courtyard (50 pax), The Garden Room (30 pax) or The Arthouse (100 pax), or, you can hire them all!

Just off Brunswick Street, we are conveniently located a short walk from the Valley train station, with some on-site parking and street parking available.
