The | Beer Garden

"If you're after a unique setting to wow your guests, then the beer garden is the place for you!

Designed to highlight everything that makes New Farm special, the beer garden features street art from local artist Jordache, a community library, repurposed kegs housing plenty of greenery, games (jenga anyone?), a vertical herb garden, a bespoke cocktail menu and a stunning fairy-lit tree taking centre stage. A retracting 1/2 roof helps keep it breezy in summer and warm in winter! It's the perfect place to feast on canapes and enjoy the gorgeous atmosphere!

The main deck is spacious and comfortable complete with a mixture of lean bars, cushioned bench seats and tables. The grassed courtyard is a more private, intimate area perfect for smaller groups. It is complete with a high bar, stools and cushioned bench seats.

- IT'S THE LITTLE EXTRAS... -

CAKES

Everybody loves cake! And you're more than welcome to bring your own should the occasion call for it. We can provide a display table, plates, napkins, cutlery and a cake knife and are able to cut and serve on request. If you need help sourcing the perfect cake, we may be able to provide some recommendations upon request. We do not charge cakeage because why would we tax the enjoyment of cake?

DECORATIONS

Thinking of decorating? We can help give you ideas and source some items if you wanted to make it that bit more personal. We can provide at a minimum and of no charge, tealight candles, fresh seasonal flowers and a number of decorative props (light boxes etc). We can definitely assist in sourcing specific items if there was a particular theme that you have in mind - we've had some awesome themed parties in the past and love to help out, so, by all means, ask us!

CAR PARKING

We have approximately 30 onsite car parks, the majority of which are under CCTV surveillance. The easiest access is via Kent St. Access is also available on Brunswick St and Bowen St. We seriously encourage any guest who is driving to the function, to leave their car overnight if deciding to drink alcohol - drink driving is naughty!! But we do ask that cars are picked up by 10.00am the next day.

ENTERTAINMENT

Dependant on the day and time of your function, we normally have live entertainment in the form of a live soloist or duo (in the beer garden). This is always a really great addition to any event, creating an awesome vibe. They'll always be happy to take the odd request and lead a loud "happy birthday." After they've put the mics down, you can choose your own music using the nightlife/Crowd DJ system - make sure you ask about your Spotify playlist options. Private bands/DJ's are able to play - please speak to the functions manager, regarding this option,

PHOTOGRAPHER

Our ridiculously talented photographer, Brendan from Funky Munky photography, will be available for periods throughout the event so he'll be more than happy to take as many pictures of you and your guests as you want throughout the function. And they're free!!! They're uploaded to our Facebook page the following week, for your downloading and viewing. High-resolution versions are available by your getting in contact with Brendan - details available on request.

AUDIO / VISUAL

All areas are able to have embarrassing photo slideshows playing. But they also allow personal music playlists (think Spotify). We can also provide a portable speaker and roaming microphones, perfect for the inevitable speeches - at no cost. A whiteboard, flip chart and presentation laser pointer/controller are also available. We can even help make your slideshow or provide technical support. Please let the functions manager know if you require a helping hand and if you intend on having a slideshow, as the different areas have different technical requirements (leads and stuff),

THE AFTERMATH...

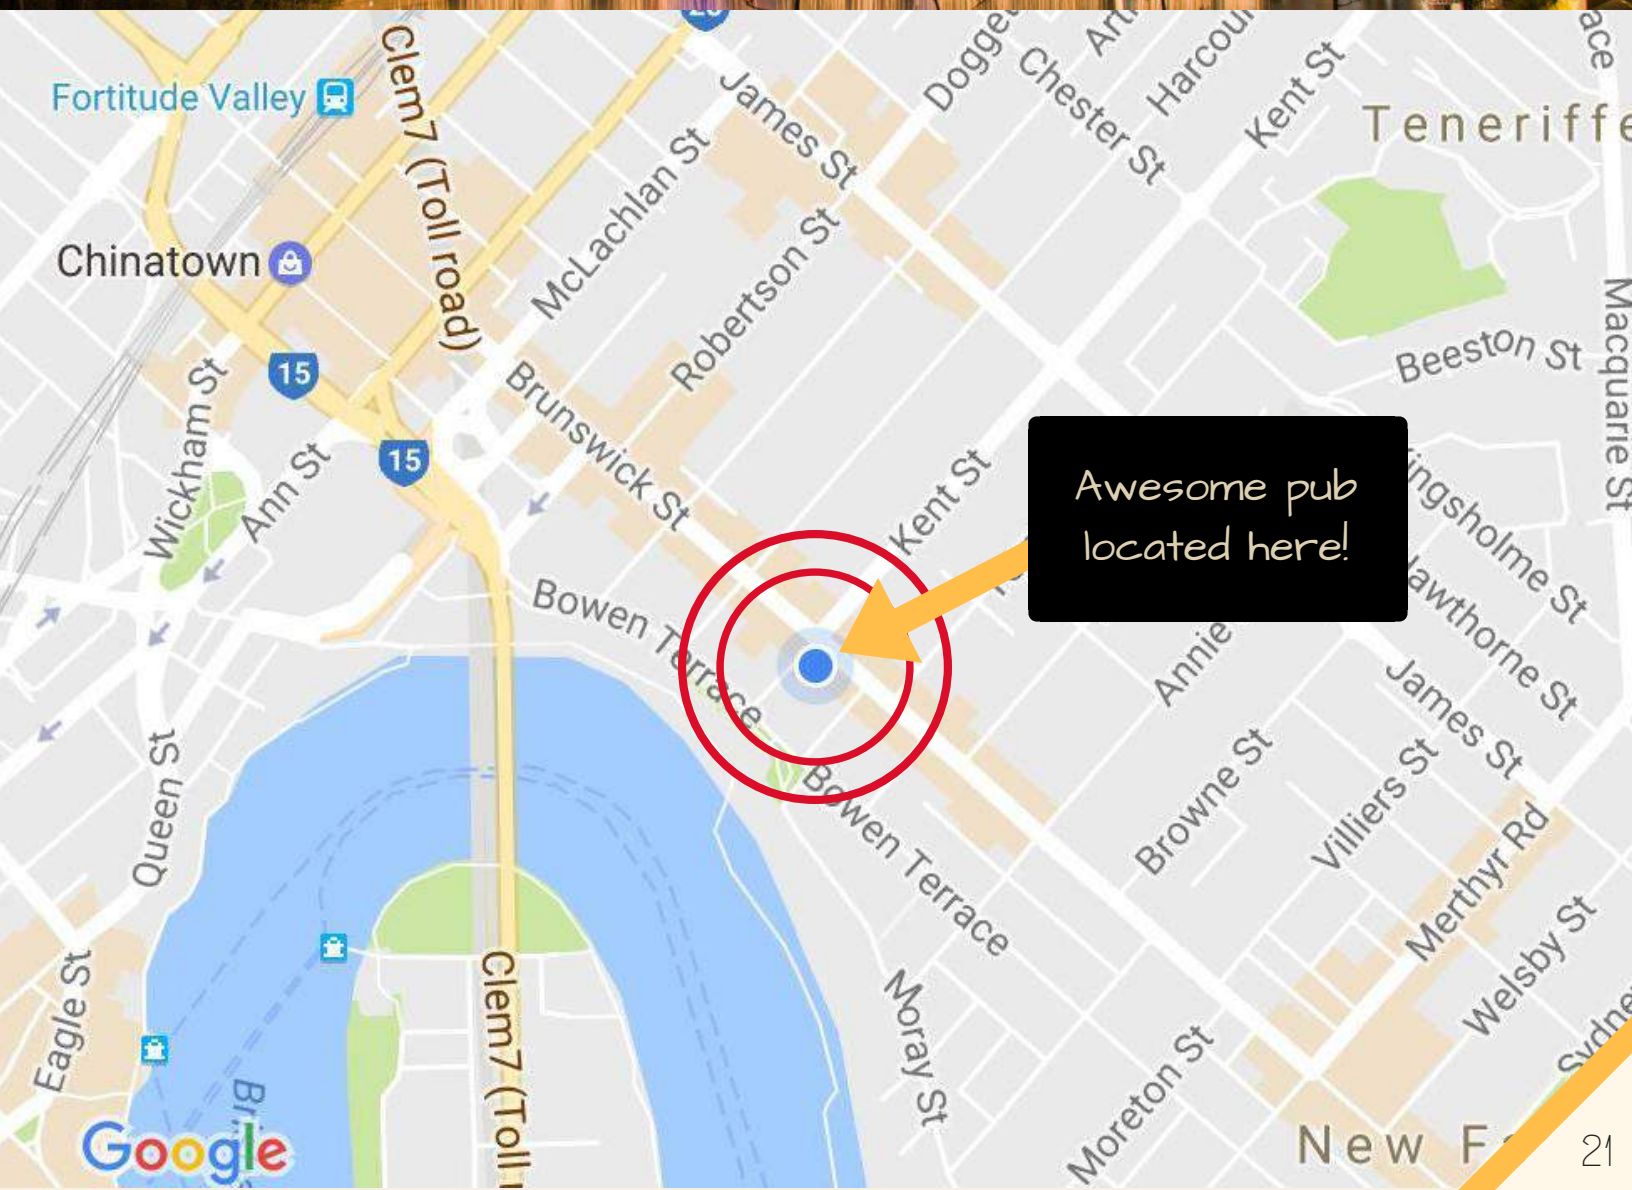

Closing time..... Don't worry about any cleanup or stress about where your presents are going to live for now! We've got you! Take home/send home what you want and come back the next day and collect what's left. We'll keep it stored overnight* and keep whatever decorations/cake you'd like us to hold on to.

*All care but no responsibility is taken for items left on premises overnight.

PARTY POLICE

Some parties will require some extra security. This will be discussed with you when planning your function if management feels extra guards may be necessary. The cost of which is sadly the responsibility of you. We organise all of this however and simply add it to your account. Trust us, it's worth it!

"Favourite Cocktail?
They're all of my
favourites -
All of them!"

- MAKE IT ONE TO REMEMBER -

PHOTO BOOTHS

Selfies are fun, but nothing beats a classic photo booth! What an awesome way to get some unique shots of you and your guests! The cost is simply added to your account. To organise a booth for your event, please speak to the functions manager.

MUSICIANS | DJ's

While our soloist and duo acts are fantastic, you may have something different in mind! Feel free to ask us about who is playing, particular styles or genres, private/specific bands, DJ's* and set time changes - we'll always try our best to accommodate!

*DJ's only available in Lounge Bar areas because some of our neighbours don't appreciate the beat or bass like we do.

THEMING

Superheros, Casino Royale, Disney... the list goes on. If you have a theme in mind, let us know! We'll help source some cool items or props and assist in making the event just as you pictured it.

CATERING

You can't go wrong with the functions platter menu - seriously it's all amazing! But, if you have your heart set on something (cuisine, serving styles/trends, particular foods) - speak up! We're always happy to change it up and try something different. Dietary requirements are easy. And if you're stuck on what to choose/how much to order we're happy to help. If you've ordered way too much, we'll tell you. If we know your tummies are going to grumble, then we'll suggest increasing/changing your selections a little.

FAVOURITE DRINKS

Partial to a sneaky martini? Don't mind the odd Aperol spritz, Nobody else understands how you could possibly like gin? We've got you - it's your event, so with enough notice, we'll do our best to make sure we have the bar stocked with what you really want.

" Great love affairs,
start with a
cocktail."

- THE FINE PRINT -

BOOKING | DEPOSIT

NO ROOM HIRE! Nope, none! But...what we do, is take a \$100 deposit to secure the booking. This deposit is then redeemable against the cost of any food and beverage purchased on the night.

The deposit can be paid in person at the hotel or via credit card over the phone.

FINALISATION OF ACCOUNT

You can choose to pay a portion of the account in advance, the full account in advance (deposit, food and bar tab), for food only or bar tab only in advance - or pay the total amount at the conclusion of your function/event and combine it with your bar tab. The choice is yours. For very large functions and businesses, invoicing can be arranged for payment in full, prior to the function. Payment after the function is subject to approval from the ALH Group finance department and only offered at the function managers discretion. Please speak to the functions manager for any further clarification.

CANCELLATION

Cancelled within two weeks of your function date? Sorry but we're keeping the deposit - unless of course, you need to reschedule, in which case we'll just hold onto it until it's party time again! Giving us plenty of notice? No problem - we'll send the deposit back your way and hope we can accommodate you down the track.

MINIMUM SPEND

Minimum spends apply to all areas. Management will advise of the minimum spends applicable at the time of your inquiry. This figure is inclusive of your deposit, food and beverage spend and guest/attendee expenditure, but doesn't include extras such as photobooths/DJ's etc. Any shortfall in meeting the minimum spend requirement will be added to your account as room hire. Any concerns can be directed to the functions manager in the first instance.

RESPONSIBLE SERVICE OF ALCOHOL

We take it seriously! But we want you to have an absolutely awesome time and a successful event! So we'll make sure you and your guests are well watered and not getting too crazy or making bad choices. Need to tap out? We can press the magic button and get a cab to you ASAP - or help you find your uber app!

MINORS

Being a licenced venue, it is the law that all minors must be accompanied by a 'responsible adult' which includes a parent, step-parent, guardian or a much older sibling (management discretion determines what is considered an appropriate age gap between the siblings). Usually, we require the "responsible adult" to be at least 25 years old. All minors are also required by law to leave the party and vacate the premises by no later than 10.00pm.

FOOD & BEVERAGE ORDER

The chefs love to be prepared! So we like to give them 10 days notice of your catering order as a minimum. This way they can ensure they have what they need - a cranky chef is nobody's friend! And while all care is taken to ensure your dietary needs are met, we can't absolutely promise there won't be traces of egg or nuts or other stuff.

WET WEATHER

When mother nature isn't in a partying mood, we'll do our utmost to make sure your event goes ahead. We'll communicate with you on the day if we have concerns and present you with options. Should your event not go ahead, we'll help however we can in rescheduling and getting the celebration or event back on track.

There's no extra cost because that would just be mean!

"Great place to have your party. We had my wife's birthday there. The price was very reasonable, function area had plenty of room and they were very flexible with how we could set the room up and decorate. On the night Ryan and Jess looked after us very well from helping with the decorations to participating in the games we had organised and allowing our own music for a while. Food platters were good too. Location is central for those that wanted to party on in the city." - Scott

*"I threw a surprise party on Saturday night for my partner. Staff were extremely helpful and nice to deal with. The night went perfectly, and their service was amazing!
I could not be happier with how the night panned out. Would highly recommended Brunswick Hotel to anyone who wants to have a great night with family and friends!"* - Whitney

"Had our son's 21st at The Brunswick on Friday night. Outstanding venue (beer garden) and service. All of the staff - managers, kitchen staff, bar staff and security were fantastic and so helpful to ensure we had a great night. And we did! Friends and family all were praising of the venue, food and staff. Thank you Brunswick Hotel. We will be recommending you to others." - Gerry

"I just wanted to thank you for such a wonderful function this week! Our waitress, who I believe was Emily, was absolutely fantastic. The space was perfect for us, and the food was delicious as well. I will absolutely consider holding another function at the Brunswick Hotel in the future!" - Kelly

- A COMMUNITY HUB-A BETTER PUB -

We love our little corner of the earth in Brisbane. We love the parks, the vibes, the walks, the spirit and we love our New Farm and Brisbane community. We want to make it a better place and be a real participant - not just a local pub. We think as a business, we have a duty to lessen our impact on the environment, contribute to the betterment of people and provide ways for the community to enjoy themselves safely. We've ditched straws from our drinks, introduced an in-house recycling program, built a street library for book sharing and we've committed to regular community service through partnerships with local charities and organisations. They're small and we can always do more. But it's a start and we're really proud of what we've achieved so far - and we have so much more planned! So even if you find another awesome venue, be sure to stop in and check out what we're up to!
