

FLAMINGO

LOUNGE

THE FLAMINGO LOUNGE LOCATED ON 33 BAYSWATER ROAD PAYS HOMAGE TO THE HISTORIC SPACE FORMERLY KNOWN AS HUGO'S LOUNGE, WITH A RETURN TO THE SIMPLICITY AND ELEGANCE THE ERA WAS KNOWN FOR DURING ITS 90S DEBUT.

Evoking the 1970s classic Miami bar glamour, The Flamingo Lounge offers guests a sophisticated atmosphere within the geometry of Cuban Art Deco architecture. Designed by Josh Clapp from Steel + Stitch (Lobo Plantation, El Topo), the venue is comprised of two distinct settings: The Discotheque and The Terrace.

Divine cocktails resembling works of art are signature features of the supper club-style Terrace which will offer everything from sensational pizzas to a lounge vibe to enjoy into the small hours. With its 2 bars and 7 VIP booths, this alfresco space is a nightlife oasis where up to 400 guests benefit from a nightlife sensibility that caters to even the neediest of appetites.

Catering for over 250 patrons the Discotheque's intimate dancefloor embodies the splendours of Sydney's finest nightlife. Golden Palm trees, rich hues of cardinal pigments, seductive imagery and nods to classic styles of yesteryear will beckon within. An alluring interior embracing 2 bars and 10 bottle service booths will appeal to patrons depending on their desires. Two VVIP parlours are also available for exclusive functions, celebrities and those who wish for that extra privacy for themselves and guests.

Our promise stands on impeccable hospitality in a fanciful atmosphere exuding boho luxe - an all encompassing offering for Sydney's after dark elites.
