Celebrate

The Precinct is your one-stop celebration destination to host and toast the bride-to-be!

Tucked away on the first-floor is a completely private room overlooking the Melbourne city skyline, transformable to accommodate your Hens party needs. This versatile space transitions from casual drinks on arrival to interactive activities and a long table sit-down feast.

The fun doesn't stop there... Head downstairs after dinner and continue the party on our dancefloor - we've got DJ and live band all the way through to 3am, rounding off an unforgettable night for the bachelorette and her guests.
