The background image shows the exterior of The Lord Alfred building at night. The building is a multi-story structure with a prominent corner balcony. A large sign above the entrance features a crest with a lion and the letters 'L' and 'A', with 'HOTEL A' on the left and 'LORD ALFRED' on the right. A traffic light is visible on the right side of the image, showing a green light. The sky is dark, and streetlights are visible, creating a bokeh effect.

IT'S NOT JUST A VENUE IT'S A PLACE TO CALL HOME

Welcome to The Lord Alfred. Established in 1868, this historic building has become an icon of Brisbane over the past 150 years, with a loyal and loving following.

Under new ownership as of October 2017, The Lord Alfred is embarking on its most exciting journey yet. We are looking to create a strong establishment where local, interstate and international guests step inside and open our pantry, step inside our cellar, relax in our armchairs and wander through the many elements of The Lord Alfred while mixing and mingling with fellow revellers, treating it like home.

We also aim to share our culinary passion, fine wines and exquisite service, whether you are here for a wine after work with a friend, a group of mates before or after the game, or with your family on a week night or Sunday afternoon looking to unwind and relax.

This journey has just begun and you will see, over the coming months, the transformation take place. We hope you come along on the ride with us, frequenting The Lord Alfred to enjoy and indulge with us as we build this icon back up in all its glory.
