About Osteria Antica

With over twenty years of experience in the kitchen, part-owner and Head Chef Adrian demonstrates his deep Italian roots and passion for food through his cooking. With a desire to run their own restaurant, Adrian and his two partners - his cousin Dominic and childhood friend Frank, hatched a plan to turn this dream into reality - Osteria Antica was born!

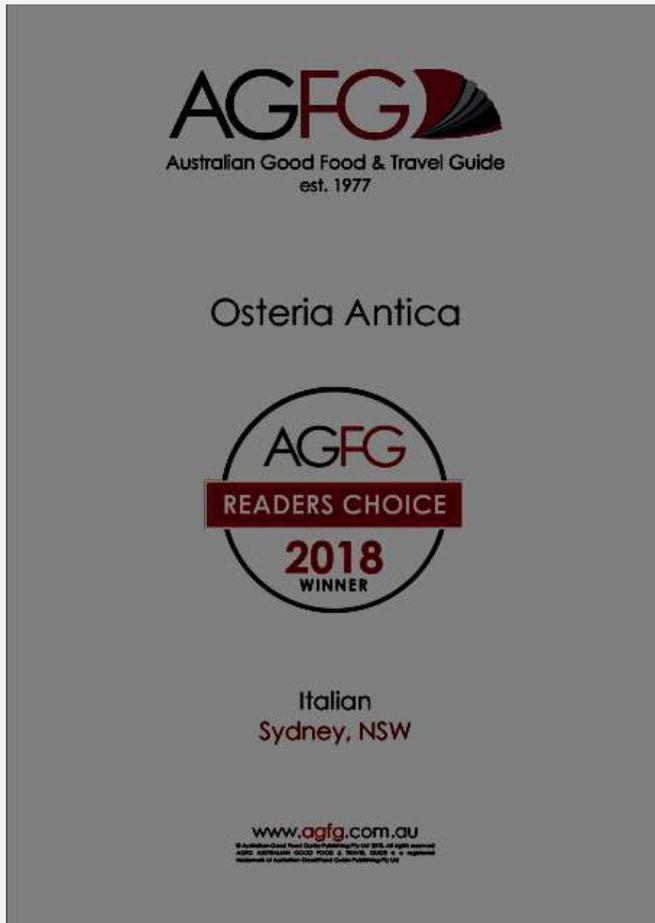

Located in the heart of Annandale village, Osteria Antica offers diners a tasty selection of Italian dishes including wood-fired pizzas, salads, hand-rolled pastas, meat, fish dishes and many others.

The restaurant features rustic decor, creating an authentic, old Italian feel. Couple this with its private 1st floor event area and bar, with a balcony that has district views and distant city views, and its location being only several km from the Sydney CBD, and you have the perfect destination for your next event.

Why choose Osteria Antica for your event

What our customers have said!

"We had our event at Osteria Antica and it was such a great night! The food was brilliant - pizza seriously spot on ... and that gnocchi! We've been ordering that takeaway at least half a dozen times since. Thank you for making it happen up on the balcony – it is a magical spot up there". Pete (May, 2018)

"We held an event at Osteria Antica and would definitely recommend. The ambiance was lovely, the food was delicious and plentiful - we had a really great night. Thankyou for your flexibility, and to your staff on the night! We'll be back again soon." Brittany (May, 2018).

Thank you to the team at Osteria Antica! We held a birthday function in your beautiful upstairs area on Saturday night and everyone enjoyed themselves thoroughly. The food was delicious and plentiful and many guests have commented on how wonderful the food and venue was. The Italian wines suggested were also thoroughly enjoyed. All the staff were brilliant! Their relaxed yet attentive manner helped make the function a success. We will definitely be back!! - S. F. (June, 2018)

What our customers have said!

The event was a fabulous success thanks very much to you, Dominic, Adrian and the wonderful team at Osteria Antica! The food was plentiful, generous and absolutely delicious, and we have had much feedback from guests saying the same thing. Dominic was particularly helpful with us choosing wines, as we don't know a huge amount about Italian wines. The red wine in particular that he suggested for us to enjoy received many compliments.

Thank you so much too for allowing us to have the function in your top floor area. The special needs girls particularly loved the space as it was private and intimate, and they could enjoy the music and the party to the fullest. The bar staff too were also fun and had a dance with the girls which they loved! Thank you!

Thank you so much once again for everything. It has been the upmost pleasure to deal with you and your team over the past few months, particularly as we are in the country. We will definitely be back to enjoy your delicious food and wine, exemplary service and lovely setting. All the best to you all,

Fiona, Ian and Lauren (the birthday girl)
