

ENTERTAIN LIKE NOWHERE ELSE

Welcome to Urban Winery Sydney. Australia's first true urban winery and the beating heart of the A.Retief wine label.

Conveniently located in The Entertainment Quarter, Moore Park, The Urban Winery Sydney is a one of a kind, multifunctional space that includes a fully working open winery, event space, wine bar and cellar door.

Urban Winery Sydney is the only place in the city where you can entertain and dine with your guests amongst barrels producing our latest vintage.

The A.Retief wine range is made from grapes sourced from cool climate southern NSW regions, including Tumbarumba, The Hilltops and the family's biodynamic vineyard in Gundagai. The grapes are all trucked in entirely handcrafted by Alex on-site.

Being a working winery, epicurious visitors can discover and enjoy wine via blending masterclasses, tours, tutored tastings, long lunches and exclusive private events.

Our mission is to become one of the leading urban wineries around the world, by making great wine, creating memorable experiences and celebrating NSW producer regionality.

Our Event Packages will give you a starting point, outlining the types of entertaining experiences we can create for you and your guests.
