# TESTIMONIALS

We booked a media lunch in December. We were incredibly impressed. The food was absolutely delicious, drink options were great with some awesome cocktail choices and the service was fantastic. I couldn't recommend it more highly if you are looking to book a group event - **Naomi Christopher, Senior Manager - Brand, Midwinter Financial Services**

I had my birthday dinner at Honkas. From booking the venue to numbers changing, Hamilton was very professional, helpful and friendly. On the actual event day we had afternoon drinks outside which is a nice place to relax before dinner. From the moment we entered the venue the staff were friendly and also very helpful. The food was delicious and all my friends were delighted with the location (we sat on the window area) for dinner. The food was great and there was a lot of tasty food & great price point (from memory it was \$48pp). I highly recommend Honkas for group bookings or an intimate dinner for two! It's a great all round restaurant! **Carlie**

We recently hosted a dinner in the event space at Honkas and could not have been happier with the evening. The food and service were faultless and the space itself has an incredibly relaxing atmosphere, there was nothing but compliments from the attendees. - **Jacqueline Young, EA, PwC**

Looking for a Christmas lunch venue for our team, we settled on Honkas, Potts Point as the place we felt would best meet our needs with its varied menu and relaxed atmosphere. Our expectations were high but they were certainly surpassed. The team were friendly and attentive but unobtrusive and the food was excellent. We can highly recommend Honkas for a great shared lunch experience. **Sally, Office Manager, Luigi Rosselli Architects**
