

The Longsong wine and drinks list focuses on smaller producers, with a strong bend towards artisan wine, local brewers and Australian distillers. The list supports the great number of avant-garde and high-quality winegrowers and makers found in Victoria, but also the wonderful importers and distributors who call Victoria home. Therefore, you'll find Australian wines on our list from our home state, alongside an array of incredible wines from around the globe. We also find strength in collaboration and draw on our deep contacts in the local wine, beer and spirit community to craft unique drinks for our venue as reflection of the season – our tap wines and house spirits, vermouths and distillates reflect this ethos. Like our kitchen menu, we look to support those growing, farming and producing their wares sustainably.

Longsong Exclusives on Tap

Our tapped wines are a collaboration between our team + local producers. They are seasonal + reflect our commitment to sustainable and thoughtful farming - minimal intervention, maximum interest. Enjoy chilled either by the glass or carafe.
