BAD DECISIONS

Bad Decisions is named after those things you do when you're having a bit too much fun, #noregrets. The vibe is sophisticated with a side of sordid, with leather, bespoke furniture, and gold fittings throughout. The drinks offering spans cans to cocktails (including four on tap ready to go). Once you're nestled inside, time is but a construct; the music is an eclectic mix of whatever we feel like playing at the time, making this the spot you go for sitting, sipping and scheming, rather than to hit a heaving dancefloor.

We have a private room upstairs designed for secluded affairs - art exhibitions, parties, launch events. Whatever you've got going on, we can help you host it.

We welcome functions 7 days per week, have a capacity of approximately 70 people. There's a private bar, deck for smokers, in house Funktion-One sound system with CDJ/ iPod connection, and cordless mic should you need it. We can also provide a DJ for you upon request.

If you're looking for a location for an art show, our walls are prepped for this, with track lighting positioned in place for the purpose.

There is no room hire fee, only minimum bar spend. If you'd like your event catered, we can facilitate this with local food spots. Whatever you're feeling, we can make it happen.

Our friendly and skilled team will ensure your event is one to remember, and are open to any requirements or requests you may have. Let's chat, and get planning!

If you would like to view Bad Decisions bar to see if we're right for you, or just after more information, please do not hesitate to contact our Function Manager.
