I wanted to put in writing what a wonderful night we all had. Thank you all so much! The food, service & quality of everything was brilliant. Everyone was very happy with the location, the signage out the front garnered a few "ooh!" comments, and the room itself was spot on for the style of our event.

Events at ZINC

Whether you're looking for a large event space or a more intimate venue, ZINC at Federation Square can fulfil your requirements. Comprising of one large space or two smaller studios, ZINC is ideal for all styles of events, from gala dinners and product launches, to lunches, seminars and cocktail parties. ZINC (Studio 1 and 2) has ample dining space for up to 450 people for a sit down dinner,

with a generous dance floor and separate pre dinner drinks space. Up to 1000 people can be accommodated for a cocktail style event.

Two independent entries and a central operable wall enables the space to be divided into two studios to comfortably accommodate smaller groups, should our event be more intimate.

I just wanted to thank ZINC team for yesterday. The venue and service was absolutely amazing and the food delicious. There was plenty of food to go around. The management team and staff were all impressed! Thanks again and I hope to have our 2019 Launch with you next year!

The service was impeccable and we had several comments from our senior executives on how brilliant the staff at Zinc were. You were so so helpful – always there with a smile and happy to help anyway you could. I really appreciate your flexibility and your patience as I know we had quite a few last minute changes all the way along. I would say the staff at Zinc were some of the best I have ever worked with – and our internal team were so happy with the venue they will be reaching out enquire about events later on in the year.

Event Spaces

ZINC is one large space that can split into two separate studios.

ZINC (Studio 1 and 2) Studio 1 and 2 incorporate all areas, opening up into one large event space. Utilising the reception area and both decks, Studio 1 and 2 can accommodate 1,000 for a cocktail event or 520 for a banquet.

Studio 1 is entered via glass doors at the side of the building, leading into a large reception area with a bar to one side and access to the large outdoor deck overlooking the Yarra River and city skyline on the other. This is the perfect place to hold on arrival cocktails and canapés while your guests mingle.

The studio can be sectioned off by exquisite white draping which adds a dramatic flair as the room is unveiled for your guests. Accommodating 500 for a cocktail event or 200 for banquet, Studio 1 is a versatile room suitable for many occasions.

Studio 2 is entered via glass doors at the front of the building. The entry leads directly into the studio, and it also has access to its own private deck with stunning river and city views. Studio 2 can accommodate 200 for a cocktail event or 150 for a banquet, making it the perfect location for more intimate events.
