

OUR CHEF'S

FAVOURITES

Consider these dishes as mains. They're much more substantial than reality TV, & a lot more palatable too!

|--|--|----|
| One Bite Beef (gfo) | Our longtime Signature Dish. Prime long fillet steak, meticulously trimmed of all fat and cooked Teppanyaki style in pepper, homemade soy sauce, button mushrooms and then sliced into bite sized pieces. The trick is to start with an incredible piece of meat and then try not to get in the way of it too much! <i>It's melt-in-mouth-yum.</i> | 31 |
| Duck Pancakes | A whole fresh duck breast marinated, baked, sliced and served with pancakes, San Choy Bow leaves & our home made red miso Duck Sauce. Tender, succulent & tasty. | 35 |
| Fish on Fire | Miso marinated Salmon splashed with dark rum & baked between cedar wood paper, then smoked & served with embers glowing with sweet miso on the side. Light my fire! | 33 |
| Wild Asian Mushrooms (v)(gf)(vgo) | A bountiful selection of fresh Asian mushrooms cooked in garlic, gluten free soy & shallots. | 28 |
