A booking is not considered confirmed until a signed contract and 50% deposit has been received by your Venue Coordinator within 14 days (your balance will be due one month prior; for events less than 90 days out the full venue hire balance will be payable within 14 days). Other areas of the site do not form part of your venue hire, unless outlined on your contract.

EXCLUSIVITY

We offer your event area on an exclusive use arrangement – however please note the venue is open to the public Monday to Friday until 5pm; the site also operates as Sydney Living Museums head office. For day events private event signage will be placed to redirect patrons away from your event.

SET-UP & PACK-DOWN TIME

Please note that your contracted 'set-up' and 'pack-down' times are non-exclusive and may overlap with another booking before or after yours.

TIME

Additional access time can be made available upon request at an hourly rate in some circumstances.

FURNITURE & STYLING

The Mint is a beautiful space with a stunning mix of heritage and contemporary features. However, should you require additional styling – including florals, furniture and décor – our team can recommend reputable suppliers who have worked in our venue before. Please do not hesitate to discuss this with your Venue Coordinator.

BREAK OUT SPACES

Additional small meeting rooms can be made available on request, and quoted accordingly.

PUBLIC TRANSPORT

Both St James and Martin Place is less than a five minute walk from The Mint.

PARKING

There is no parking available on site. There is on-street parking on Hospital Road. Both the Domain car park, and Metro (Sydney Eye Hospital) car park are located within walking distance to the venue.

RED WINE & ALCOHOL

Due to heritage conservation requirements, red wine cannot be served for any cocktail or post-networking drinks; it can be served for seated lunch and dinner events. We operate under the guidelines of the Independent Liquor and Gaming authority and are bound by their regulations. There is no BYO alcohol on our sites.

SMOKING

We operate in line with the Smoke-free Environment Act 2000 and smoking is not permitted on site during the day.

CONDITIONS

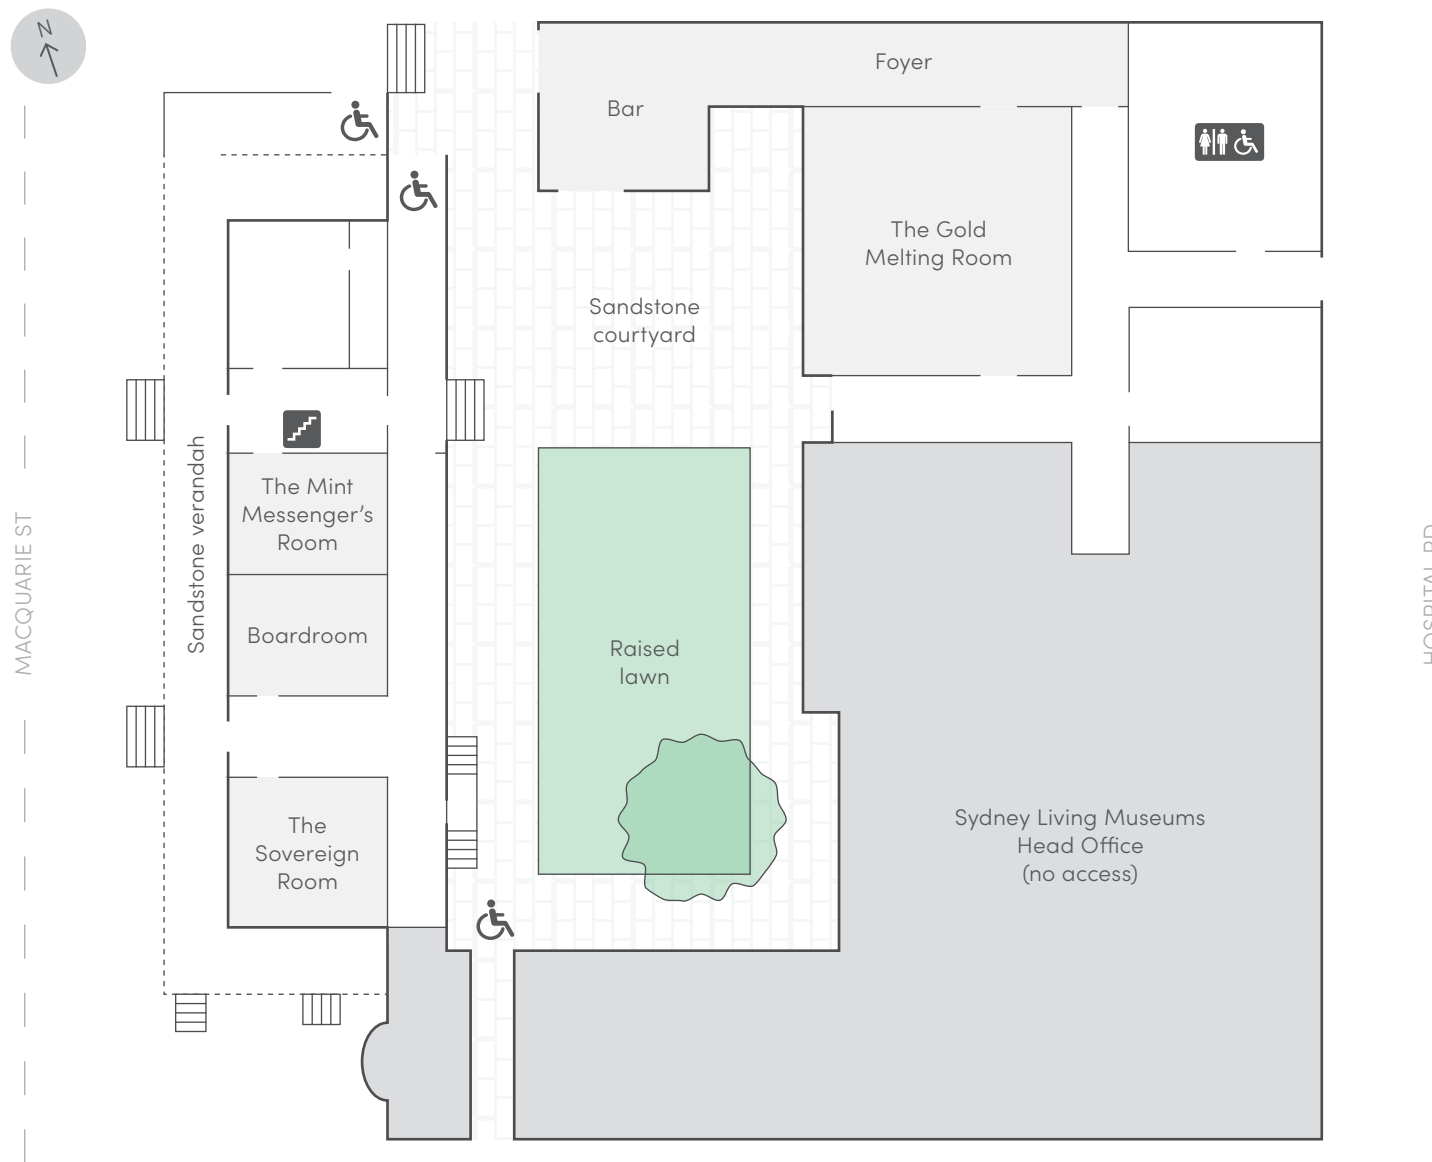

Small particles and wet substances such as rose petals, rice, glitter, eggs, paint, dry pastas and the like are not permitted – any group activity arranged for your booking needs to be approved by the venue in advance. We do not permit the use of drones on our sites. Wax candles and open flames are not permitted. You cannot attach or fix to any buildings, trees, or the like on our sites. Damage or breakage to the property will result in fines and additional fees.

COVID-19

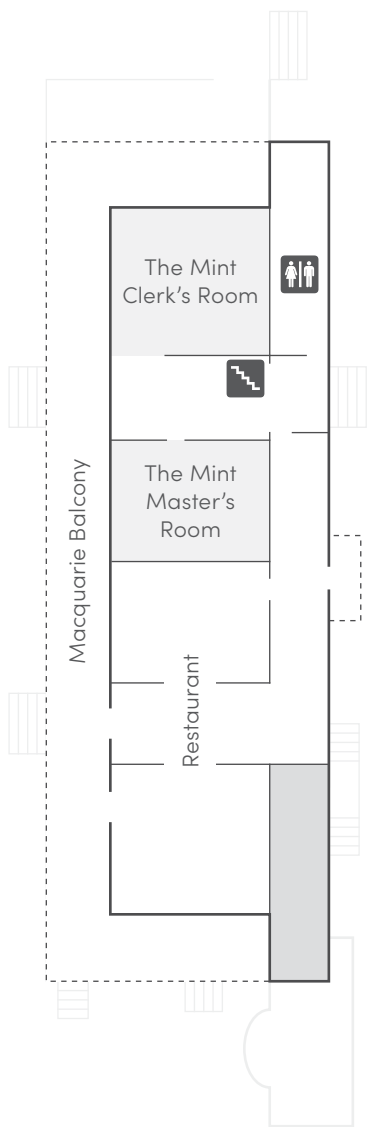

The Mint's capacity is a maximum of 65 people in line with the 4m² regulations: Bar & foyer – 31, the Gold Melting Room – 34. If attendees are considered close contacts e.g. from the same office team, numbers within the Gold Melting Room can increase slightly whilst still maintaining 65 in total across the property. Face masks for attendees are strongly encouraged, but not currently mandatory. When alcohol is being served indoors all guests must be seated, including cocktail events. All events require a tailored COVID safety plan, which the venue will develop in conjunction with the hirer.
