# 1. THE SPACE

With elements of the refined style of 1920s saloons, where cold beverages and ambient lighting couple together to create The Grand on Stanley, a boutique bar and cosy watering hole.

Take a look through the venue using our 3D virtual tour by clicking the link: [- 3D Virtual Tour -](#)

The name is a cheeky play on the nature of the venue's size; however, the 'grandness' is intended to encompass ideals of the bar, rather than its square meters. The venue itself is inviting and uncomplicated, and we wanted to maintain the originality of the space, from the stained-glass windows to the exposed brick walls and lavish light fixtures. Photos of Brisbane's formative years, showcasing the old-world glamour of Brisbane's landmarks adorn the walls, paying homage to past generations. The licenced area extends through to Jacob Lane and a hidden little beer garden awaits all to enjoy.
