## OUR FUNCTIONS

### COVID-19 POLICY

In the event of a cancellation/postponement of the event to another date due to unanticipated consequences, including due to the impact of the coronavirus (covid-19) pandemic, related public health directions and other associated government guidance and decisions; Longrain/Longsong will hold any deposit paid in good faith until such time as conditions change and an alternate date can be mutually agreed.

As per current Government regulations, only fully vaccinated patrons and staff, those with proof of a medical exemption, or those under 16 years of age, will be allowed into our venues. Note all events will be charged the total cost of the estimated event spend, based on the final numbers confirmed with your event manager 5 business days prior to your event date.

## OUR FUNCTIONS

### EVENTS AT LONGRAIN AND LONGSONG

We have three private dining spaces on the second level of Longrain, in an architect converted horse stable from the 1900's.

The unique dining spaces can be used independently or combined, depending on the ambience you want to create and the number of guests.

For a truly exclusive event, the entire second level can be booked out, including the Longsong Bar. We can accommodate seated lunches and dinners of up to 90 guests and stand-up cocktail functions of up to 250 guests.

The background of the image is a dark, atmospheric bar or cellar. Shelves are filled with numerous wine glasses, some of which are illuminated from below, creating a warm, golden glow. Above the glasses, several large, elegant decanters are visible. The overall lighting is low and moody, with a warm color palette dominated by browns and golds.
