Tab:

Function guests will receive a wristband granting them access to the tab. A bar tab can be arranged for your function amount in mind that you feel comfortable spending (on or in excess of the minimum). Your bar tab can be reviewed as your function progresses and increased if required. However, we will ensure you are in control of the amount throughout the event. At any point after the minimum is met you are welcome to remove the tab, so your guests can purchase their own drinks. To extend the life of your tab we recommend limiting it to beer, wine and basic spirits.

Our regular in house DJ will be playing 7PM - 1AM.
