REVIEWS

We were extremely pleased with the night and how it all went. Talks about hosting the next year's event at your venue were already taking place the very next day. I would like to thank yourself and your incredible staff for all your support during the night and particularly in the lead up.

- Marlon, Property Development Company

Yesterday was one of the best Xmas parties Rokk Ebony has had! I was absolutely blown away with the venue and the service!

- Emily, Rokk Ebony

Thanks for having us, I have had nothing but positive feedback about the venue and the food. Their service and attentiveness was exceptional. This is definitely going down as one of our best functions (and I've been here for 16 years!)

- ETU VIC

I just wanted to say what an incredible night we had and how impressed we were with everything - your help and responsiveness while organising the event (including a last-minute request for additional microphones), many people commented on the food being very impressive and the service on the evening was fantastic.

- Jeannette, Virtual CMO.
