Pinchy's

Born over a dining table dinner in San Sebastian, Spain, the concept for Pinchy's was the birth child of many sun kissed long lunches, where friendship and good wine flowed freely.

Basking in our seaside glow we drank, ate and reminisced about holidays past. It was a time of passionate conversation and divine relaxation where laughter echoed loudly as we enjoyed some of the best dining experiences in the world.

Pinchy's was created out of the desire to capture the essence of those memories, designing an experience that indulges our nostalgia and delights our guests. Our aim is to enable the perfect setting for long, enjoyable dining experiences that encourage you to make unique memories, with your nearest and dearest.

Inspired by the coastal setting of San Sebastian, our menu comprises an array of delectable, wild caught sustainable seafood. With our smaller portions, we encourage you to travel through the menu, try a little of everything, share, experiment and then revisit your favourites with gusto.

Taking you on a journey across the globe, our premium wines have been selected to evoke the senses and stimulate seaside memories, as you create new ones here with us.

Our white wines have been lovingly curated to elevate and enhance. They are light, fresh and elegant on the palette, which compliments each dish to complete our signature style.

Our red wines are light, soft and juicy. Chablis and Burgundy are places close to our heart and it brings us great joy to see guests experience this part of the world in our restaurant. With affordable prices, we hope to provide unparalleled accessibility to such a luxurious and indulgent product.

So sip and stay a while. Indulge your senses and let us take care of the rest. Taste, laugh and above all, have fun!
