CELEBRATE IN CAMPERDOWN

## VENUE

Deus Cafe (The House of Simple Pleasures) has been sating the appetites and caffeinating the souls of motorcyclists, artists, mothers and brothers of the inner west for over a decade. Menu items have come and gone over the years but the multi-flavoured philosophy of the Deus experience has always been reflected in the seasonal specialities served up by the chefs at the Deus Cafe to the coffee fuelled congregation.

Deus Café is the perfect venue to host any occasion; from birthday celebrations, engagement parties, product launches, Christmas parties, corporate functions, farewells and more. Our venue is exclusively reserved for your celebration and all have access to our award winning cocktail bar.

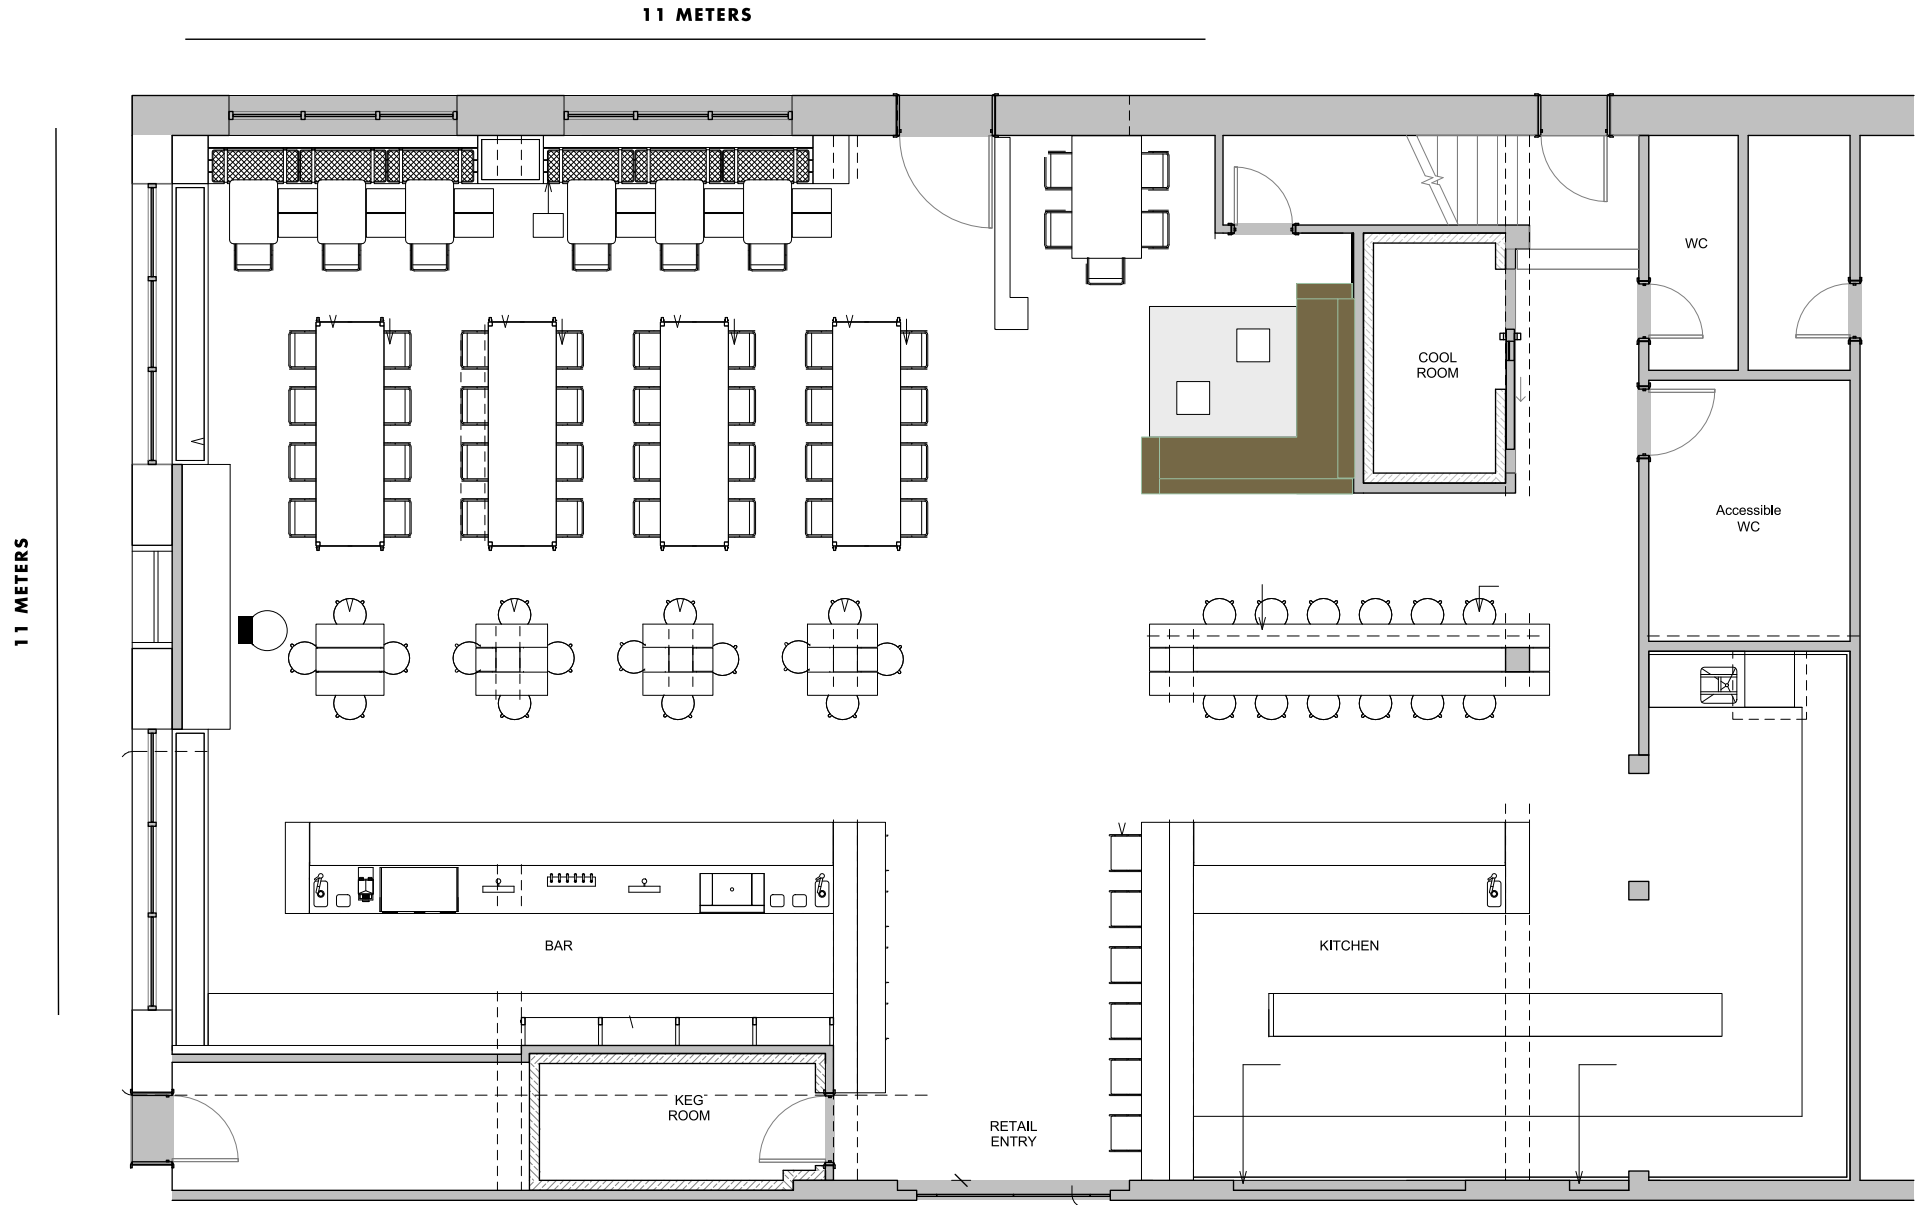

Our dedicated functions team is on hand to assist you in creating your perfect event. Our chefs have created an array of canapes shared platter style to compliment your celebration; from light to substantial offerings, our team can work with you to tailor a package suitable for your style of event.
