THE VENUE

Club Retro is a Melbourne institution and one of the longest running night clubs in the CBD. Open on Friday and Saturday nights, Club Retro is the premier dance spot for throwback hits and good vibes.

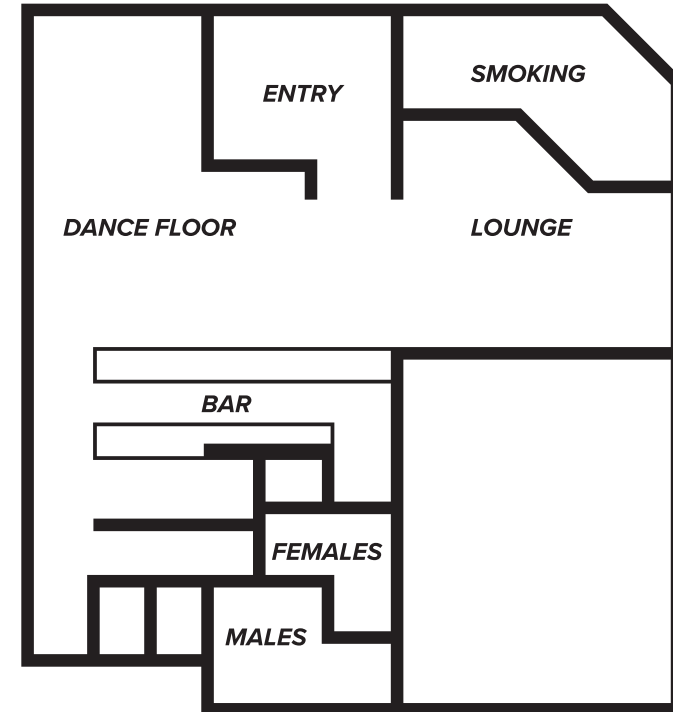

Boogie the night away across two levels, and take a moment to breath in our beautiful beer garden. With three bars across the two floors you will spend the night tearing up the dance floor, not waiting in line for a drink.

Our stunning function space, The Green Room can be found downstairs and is decked out with state-of-the-art sound and lighting. With a private bar, smoking room and light up dancefloor, the space is your own private nightclub.
