SOME ANSWERS TO YOUR QUESTIONS

How long is my function?

Functions are a standard 4 hours, but you are more than welcome to extend your function if there is availability.

Is my space private?

The Pianola Bar is a private space, with its own private bar. All our additional spaces are semi-private and are a part of our whole venue. That means your space is reserved just for you, but you'll be using the same bar, bathroom facilities, etc. as the rest of the venue.

Can I play my own music?

Generally speaking no, as most of our function spaces are semi-private. We have live music every Friday and Saturday night, DJs on after the bands and outside of this we play all your favourites from Take Me Home, Country Roads to 9 to 5. If you're looking to book in the Pianola Bar or the whole Honky Tonk Bar on level 1 then please speak to our team about what is possible.

Do you have alcohol other than beer?

Of course we do. Our bar is fully stocked with Fizzer seltzers, cider, wines, spirits, alcoholic ginger beer and lemon squash, boozy slushies, cocktails and non-alcoholic beverages.

How much does a function cost?

Costs depend on your number of guests, the space, day and length you would like to book and what you would like included in your function. We have minimum spends for certain areas of the venue but we do not charge room hire fees and our venue is always free to get into if you just want to come down for a beer. Speak to our team to find out more.
