# SOME ANSWERS TO YOUR QUESTIONS!

## **How long is my function?**

Functions are a standard 4 hours, but you are more than welcome to extend your function if there is availability.

## **Is my space private?**

Our spaces are semi-private and are a part of our whole venue. That means your space is reserved just for you, but you'll be using the same bar, bathroom facilities, etc as the rest of the venue. The brewery space is private with its own bar and music, the bathroom facilities remain shared with the venue.

## **Do you have alcohol other than beer?**

Of course we do. Our bar is stocked with our Fizzer seltzers, wines, and spirits and non-alcoholic beverages.

## **How much does a function cost?**

Costs depend on the space, day and length you would like to book. Get in touch to discuss.

## **Can kids come?**

Children are more than welcome to attend our venue. All children under the age of 18 must be accompanied by a parent, guardian, or responsible adult.

Persons under the age of 18 are asked to leave the venue at 10pm.

## **Can I play my own music?**

As our function spaces are semi-private and part of the whole venue, we are unable to play separate music for functions. This also means we cannot have outside entertainers (such as clowns, magicians, etc). We play music that appeals to everyone and have DJs every Friday and Saturday night.

Functions in the brewery space can have their own music and entertainment, in the past we've had bands, DJs and live performers.
