

# SUPERNORMAL

PRIVATE DINING  
IN THE BRIDGE ROOM

# Our Story

Supernormal is a contemporary city bar & dining room - the ideal meeting and watching place, accentuated by views of the river beyond.

Moving from the bar, the dining room evokes old school decadence, with a neutral textured palette, and welcoming open spaces punctuated by glimpses of the open kitchen; a prominent part of the restaurant's theatre.

The menu celebrates local produce and connects with Queensland's farmers, fishers and foragers, to offer contemporary Australian dishes influenced by time spent living, working and travelling in Hong Kong and Shanghai.

Whether it be for a cocktail and snacks at the bar or a special dinner with friends, guests are invited to define their own experience in any number of ways.

# The Bridge Room

Through the restaurant and up the staircase, Supernormal caters for exclusive events in the Bridge Room. An elegant light-filled space in which to entertain private lunches and dinner parties of up to 46 guests seated or 70 standing.

Dining at Supernormal is all about sharing great food & wine in a luxurious and relaxed setting. We translate this experience in the Bridge Room by offering shared banquet menus for seated events bringing people together for generous and social celebrations. For cocktail parties, favourites of the Supernormal menu are customised into smaller bites alongside more substantial canapes to ensure a plentiful offering.

Boasting a 64 inch screen and BOSE surround sound including our optional karaoke system with endless song choices, this fully private space is fit for entertaining – from corporate presentations and celebrations, to product launches, milestone birthdays or simply to get together with friends for fun-filled frivolity, our completely private dining room offers guests discretion without distraction.
