SAKE

Glass / Flask / Bottle

Tengumai 'Umajun' Junmai, Ishikawa..... 15 / 38 / 240

When founded in 1823, the brewery was surrounded by dense forest where Tengu (long-nosed goblin) were said to reside - and to dance after tasting the quality of their sake. A creamy style with notes of roasted almond.

Inaba 'Stella' Junmai Daiginjo Muroka, Ibaraki..... 30 / 77 / 198

Elegant and fragrant with melon and mango, as befits the daiginjo style, with soft texture and gentle sweetness. A 13th generation family brewery, with one of Japan's leading female toji at the helm.

Mutsu-Hassen Gineboshi Junmai Daiginjo, Aomori..... - / - / 280

Committed to using locally sourced Aomori ingredients and brewed with a new sake-specific rice variety known as Gineboshi, discover a fruity fragrance of musk melon, white nectarine and fennel, a silky palate and pure, crisp finish.

Moriki 'Suppin Rumiko no Sake' Junmai Ginjo Muroka Nama Genshu, Mie..... 18 / 42 / 250

'Suppin' means 'to go bare-faced' and this is tiny production sake without manipulation - textured, earthy and savoury. Brewer Rumiko Moriki-san was immortalised on the label by an artist inspired by her work to save her family's kura from closing .

Kozaemon Junmai Kimoto Bizen Omachi, Gifu 19 / 45 / 112

Made from the heritage rice strain Omachi, and aged at the brewery prior to release. A golden glass reminiscent of Amontillado Sherry, with deep notes of toasted grain, dried fig, and umami-laden shiitake.

SAKE

Glass / Flask / Bottle

Terada Honke 'Daigo no Shizuku' Junmai Muroka Genshu Bodaimoto, Chiba 25 / - / -

Masaru Terada-san's family have been brewing sake since 1673, and here he uses a pre-modern brewing technique now almost extinct. Lively, wild and refreshing, with notes of pickled ume and sweet-sour citrus.

Kameman Junmai Genmaishu, Kumamoto 26 / 68 / 128

An exceptionally rare brew crafted from brown rice. The result? Something quite remarkable - beautifully rich with notes of brown sugar, cocoa, hazelnut and warm spice

Kenbishi 'Kuromatsu', Hyogo..... 28 / 70 / 240

A unique style of sake in our list. Kenbishi has been making sake since 1505, and still uses the Yamahai method, combined with the hard water from Nada. The sake is then aged for an average of 3 years. It results in a dry sake with strong umami flavours, sweet rice, shitake, caramel, balanced with high acidity.
