

RATES CARD

The ultimate private cinema hire experience.

The Backlot Perth is a boutique state-of-the-art event and multi-purpose cinema facility, designed to deliver excellent events. Nestled between Northbridge and Leederville, we feature a 50-seat theatre or presentation room, an upmarket lounge and fully licensed bar. With exclusive access to our venue and bar, we tailor your event specifically to you and your guests.

Corporate If you're looking for a venue for staff training, bringing your team together, product launches, presentations or interstate conferencing, we have the remedy at hand.

Private Looking to celebrate a milestone birthday? Want to get your mates together to watch the footy? Or searching for a fun event for your social club? Events at The Backlot cover a whole heap of entertainment options, including special movie screenings, big screen sporting events, charity fundraisers and more.

Industry We believe in supporting our local film industry and are proud to work with Western Australia's local filmmakers, film schools and festivals, along with all the major studios. The Backlot Perth is also a world class postproduction facility with colour grading and sound mixing in 5.1.

CONTENT & FILM INFO

IN-SEASON FILMS (FILM HIRE)

Choose a new release film! Please note new release films can only be accessed outside the exhibition window which is 4-weeks after release in cinemas. New-release films are subject to availability and exhibitor terms. Costs apply based on freight and rates are charged by the distributor or the rights holder of the film.

OUT OF SEASON FILMS (FILM LICENSING)

Choose a retro or a film that's not in cinemas! Tell us the film and we'll organise approval and what format the content will be played on (BLU RAY, streaming or DCP). Out of season films are subject to costs and approval through licensing and distribution.

ALTERNATE CONTENT

Are you the rights holder to a film? Great! Play your own piece of content on the big screen at no cost. This includes filmmakers, film festivals and VR.

ON-SCREEN PRESENTATIONS

With HDMI capabilities, The Backlot is ideal for workshops, product launches, Zoom Q&A's and business presentations. Just bring a thumb-drive and we'll organise the rest. Please note all content is required 24 hours prior to your event date (and at the technical rehearsal.)
