*"I genuinely can't explain how good the **experience** at Glamorama was. As someone who manages events in club, corporate and Gala spaces I often find myself a little trepidatious when it comes to relying on the service of the less formal club spaces but Glamorama was **perfect**. Communication was **flawless**, on the night Lauren was an **absolute dream**, I would have expected that much **attentiveness and detail** from a Sofitel/Hyatt style venue which is so refreshing.*

*For the EO & PCO's that are a little worried about branching out the "usuals", give it a shot, **they'll take great care of you.***
